

## Ecliptic Tables

Inspired by the sun's apparent orbit around the earth, the table legs exposed on the top surface create a celestial composition. Customizable materials and dimensions available.

### MATERIALS

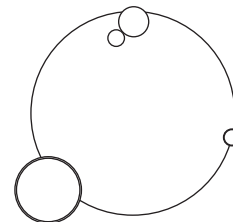

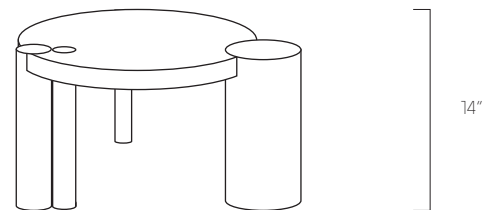

Solid American black walnut and whitewashed ash with copper plated / powder coated / blackened steel legs.

### FINISHES

Hand rubbed oil and beeswax polish.

### DIMENSIONS

24" / 36" / 48" round x 14". Customize sizes available upon request.

24" - 48"
